

# IUOIR's work in Ukraine

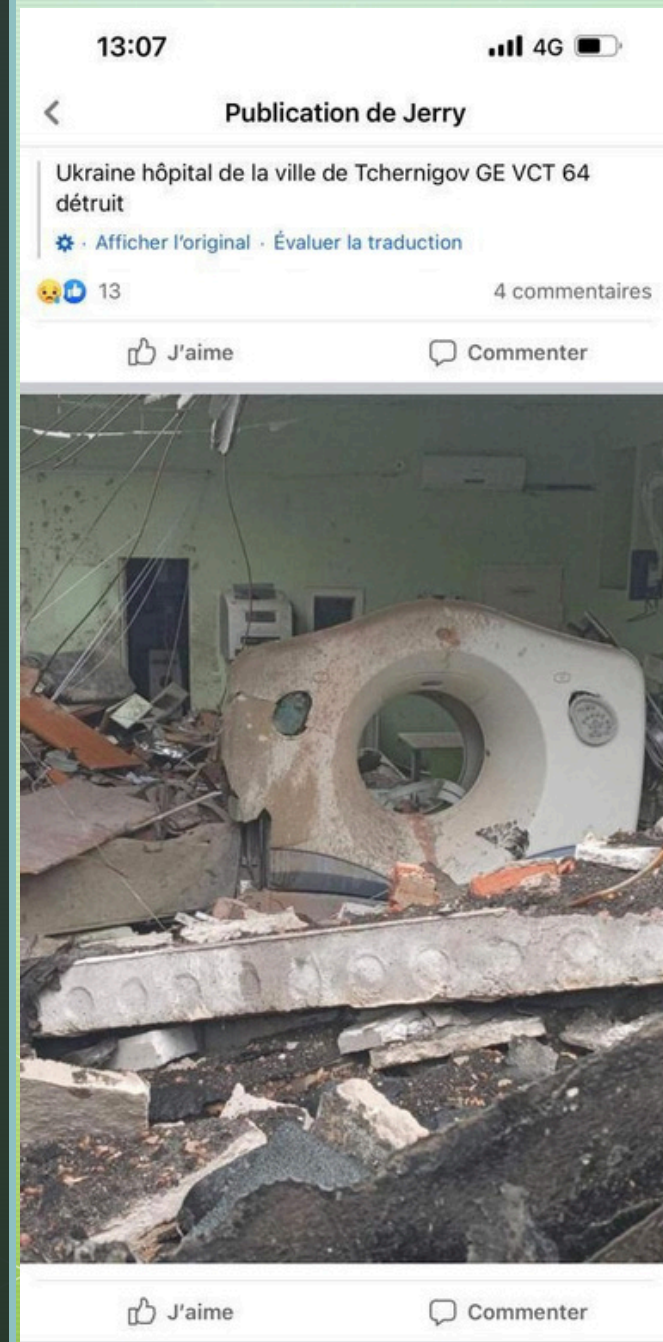

We work in Ukraine with local NGOs, as well as with a number of partner NGOs in France and the United Kingdom, and we also provide medical care and general humanitarian aid.

# <sup>a</sup> ACTION OF IVOIR IN UKRAINE

War fractures entire health systems and the longer a conflict continues the harder it will become to access care, with people dying otherwise preventable deaths as result.

Z

We have operating in Ukraine with local NGOs and some NGOs Partnerin France and UK and also provide medical and general aid delivery.
